

A LOOK into your MOSAIC!

Are you using MOSAIC to it's full potential?

HAVE YOU BEEN USING THE MOSAIC PEDAGOGICAL SYSTEM FOR MORE THAN ONE YEAR?

HAVE YOU MASTERED THE BASICS BUT WANT TO MOVE PRACTICE TO A HIGHER LEVEL?

ARE YOU UNSURE OF SOME OF THE FUNCTIONS ON MOSAIC AND HOW TO USE THEM?

HAS YOUR MOST RECENT DES INSPECTION REVEALED THAT YOU ARE NOT USING MOSAIC TO ITS FULL POTENTIAL?

Then this quality support initiative is for you!

Comprising of a constructive review of how the educator team use MOSAIC followed by a tailored online CPD session to address any specific gaps or misunderstandings.

Part 1: DOCUMENTATION REVIEW

The service provides access to a classroom(s) **OR** submits sample documentation for constructive review. This will show:

- Components of the MOSAIC system which is **underused/overused**
- Components of the system being used **effectively/less effectively**
- Components of the system **not fully understood** (different assessment/planning tools)

Part 2: TAILORED CPD

A CPD session for the team will **target the areas identified** by the constructive review. For example, this may include:

- The format for emergent planning, how to balance different learning story updates
- A demonstration and examples of various function use
 - Practice tips and strategies
- Questions and answers from the team
