

Seeing the whole child through MOSAIC

Every Piece Matters

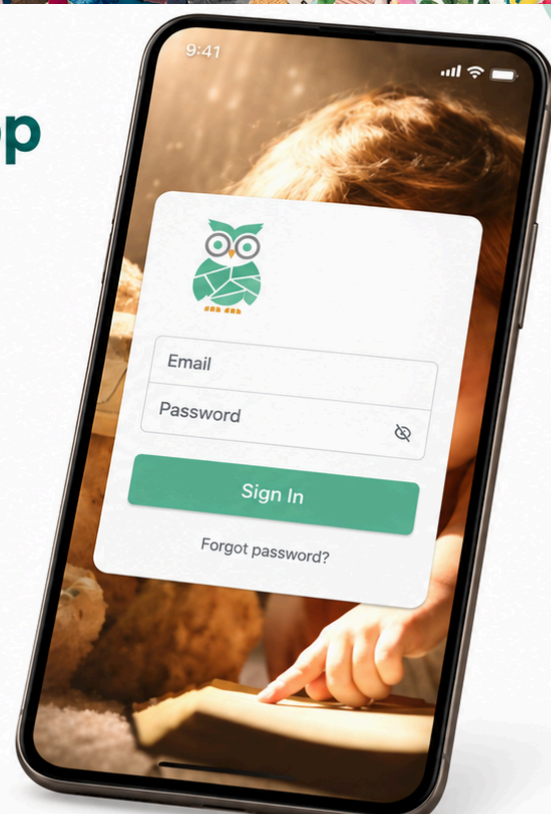

MOSAIC: The Smart Educator App for Early Childhood Care and Education

An internationally accredited (ICQAWUK) Pedagogical System
for nurseries, creches and preschool centres.

What is MOSAIC?

MOSAIC is an all-in-one digital care, learning, and
assessment system built specifically for early childhood
settings. It seamlessly blends child-centred educator tools,
effortless class administration, and private parent
communication — all within a single, intuitive app.

MOSAIC
Digital Solutions for Early Education

Built on Global Best Practice and Internationally Accredited

MOSAIC is thoughtfully designed around
internationally recognised standards for early
education, care, and wellbeing — ensuring every
feature supports high-quality outcomes for children.

MOSAIC holds an internationally accredited
status from International Certification and Quality
Assessment in Wellbeing UK.AD.

Compatible with a variety of curriculum and quality
frameworks including EYFS, Montessori, Aistear
and the Holistic Curriculum.

Accelerating success

For Educators • For Children • For Families • For Quality Standards

For Educators

Comprehensive pedagogical understanding that streamlines professional pedagogical practice and provides evidence of good practice.

For Children

Child-led learning and care that supports lived experience, culture, language, voice, inclusion, agency, and holistic learning and wellbeing.

For Families

Private, secure communication channels that promote partnership and shared intentions to keep parents connected and value their contribution.

For Quality Standards

Clear vision and direction through alignment to the aspirations of *The Quality Framework for Early Childhood Care and Education in Dubai*.

MOSAIC

Stories of Learning

Every Child's Unique Story:

A Digital Storybook of Learning, Progression and Connection

MOSAIC brings each child's unique learning journey to life through an engaging digital storybook. Designed for children aged 0–6 years, it captures meaningful learning moments, weaving them into personalised learning narratives that celebrate progress and guide future development.

EVERY CHILD HAS A UNIQUE VOICE, A STORY TO TELL, AND A WORLD OF EXPERIENCES THAT SHAPE WHO THEY ARE. NO MATTER THE CIRCUMSTANCES, RECOGNISING AND CELEBRATING EACH CHILD'S INDIVIDUALITY IS NOT JUST IMPORTANT—IT'S ESSENTIAL. CHILD-CENTRED DOCUMENTATION BRINGS EACH CHILD'S STORY TO LIFE, ENSURING THEIR VOICE IS HEARD, THEIR IDENTITY IS VALUED, AND THEIR LEARNING JOURNEY IS TRULY THEIR OWN.
